

# ADVENTURELAND DR ROADWAY IMPROVEMENTS

CONSTRUCTION UPDATE

JULY 2, 2018

## Road Closure Update

Due to the amount of rain in the past 2 weeks, the road closure at 34<sup>th</sup> Ave. and Adventureland has been pushed back 1 week to **July 16<sup>th</sup>**.

Because of the excessive rain, the city council approved the use of drying agents for the soil in the roadbed to accelerate the soil drying process. The drying agents used are lime or Portland cement that are tilled into the roadbed soils. This decision was based on the council's desire to have the roadway completed and open prior to the holiday shopping season.

Since Wednesday June 25<sup>th</sup>, Elder has been able to get back on site and start drying the road bed on 34<sup>th</sup> Ave. in front of Gilcrest Jewett.
