### TAKE NOTE OF THE MEETING DATE

The project team (City, Engineer, and Contractors) will be available at **2:00 PM at Altoona City Hall on Tuesday June 26<sup>th</sup>** to discuss this closure and answer any questions related to the project schedule and detour signage.

We encourage all stakeholders to attend, as this will allow us to review the detour signage plan and make adjustments in advance of the July 9<sup>th</sup> closure.

Attached is the draft traffic signage plan for the closure. This is what we will be discussing on Tuesday so that all businesses are adequately signed during the closure.

We will also discuss the schedule and what factors can speed up or slow down the construction pace.

The Project Team has regular meetings every other Tuesday afternoon, which are open to the public to discuss the project. The upcoming meeting days are:

July 10<sup>th</sup>

July 24<sup>th</sup>

August 7<sup>th</sup>
