

City of Altoona
NOTICE

June 2, 2017

What? **Road closure on 31st Ave SW**

When? Starting date: Monday June 12, 2017
Target end date: Wednesday June 15, 2017

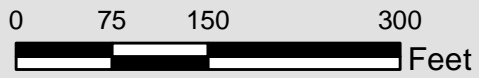

Why? To replace a storm sewer pipe under 31st Ave

How does this affect me? Detour will be required through the parking lot of Claxon's and Starbucks

What can I do to help?

1. Be patient while driving, as it is a tight squeeze through the frontage road.
2. The owner of Claxons has asked if his commercial neighbors would let their delivery and service providers know that they are not allowed to use the drive behind his restaurant as a turnaround loop. They should turn around in the street in front of Claxons.

Questions? **Jon Hanson** (515) 967-5136
City Engineer jhanson@altoona-iowa.com

Affected Area

**If needed,
delivery and service
trucks can turn around
in this intersection.**
