

City of Altoona
NOTICE

April 5, 2018

What?

Construction traffic crossing the Gay Lea Wilson trail north of the railroad tracks north of NE 54th Ave.

When?

Starting April 9, 2018

Why?

To bore sanitary sewer under the rail spur.

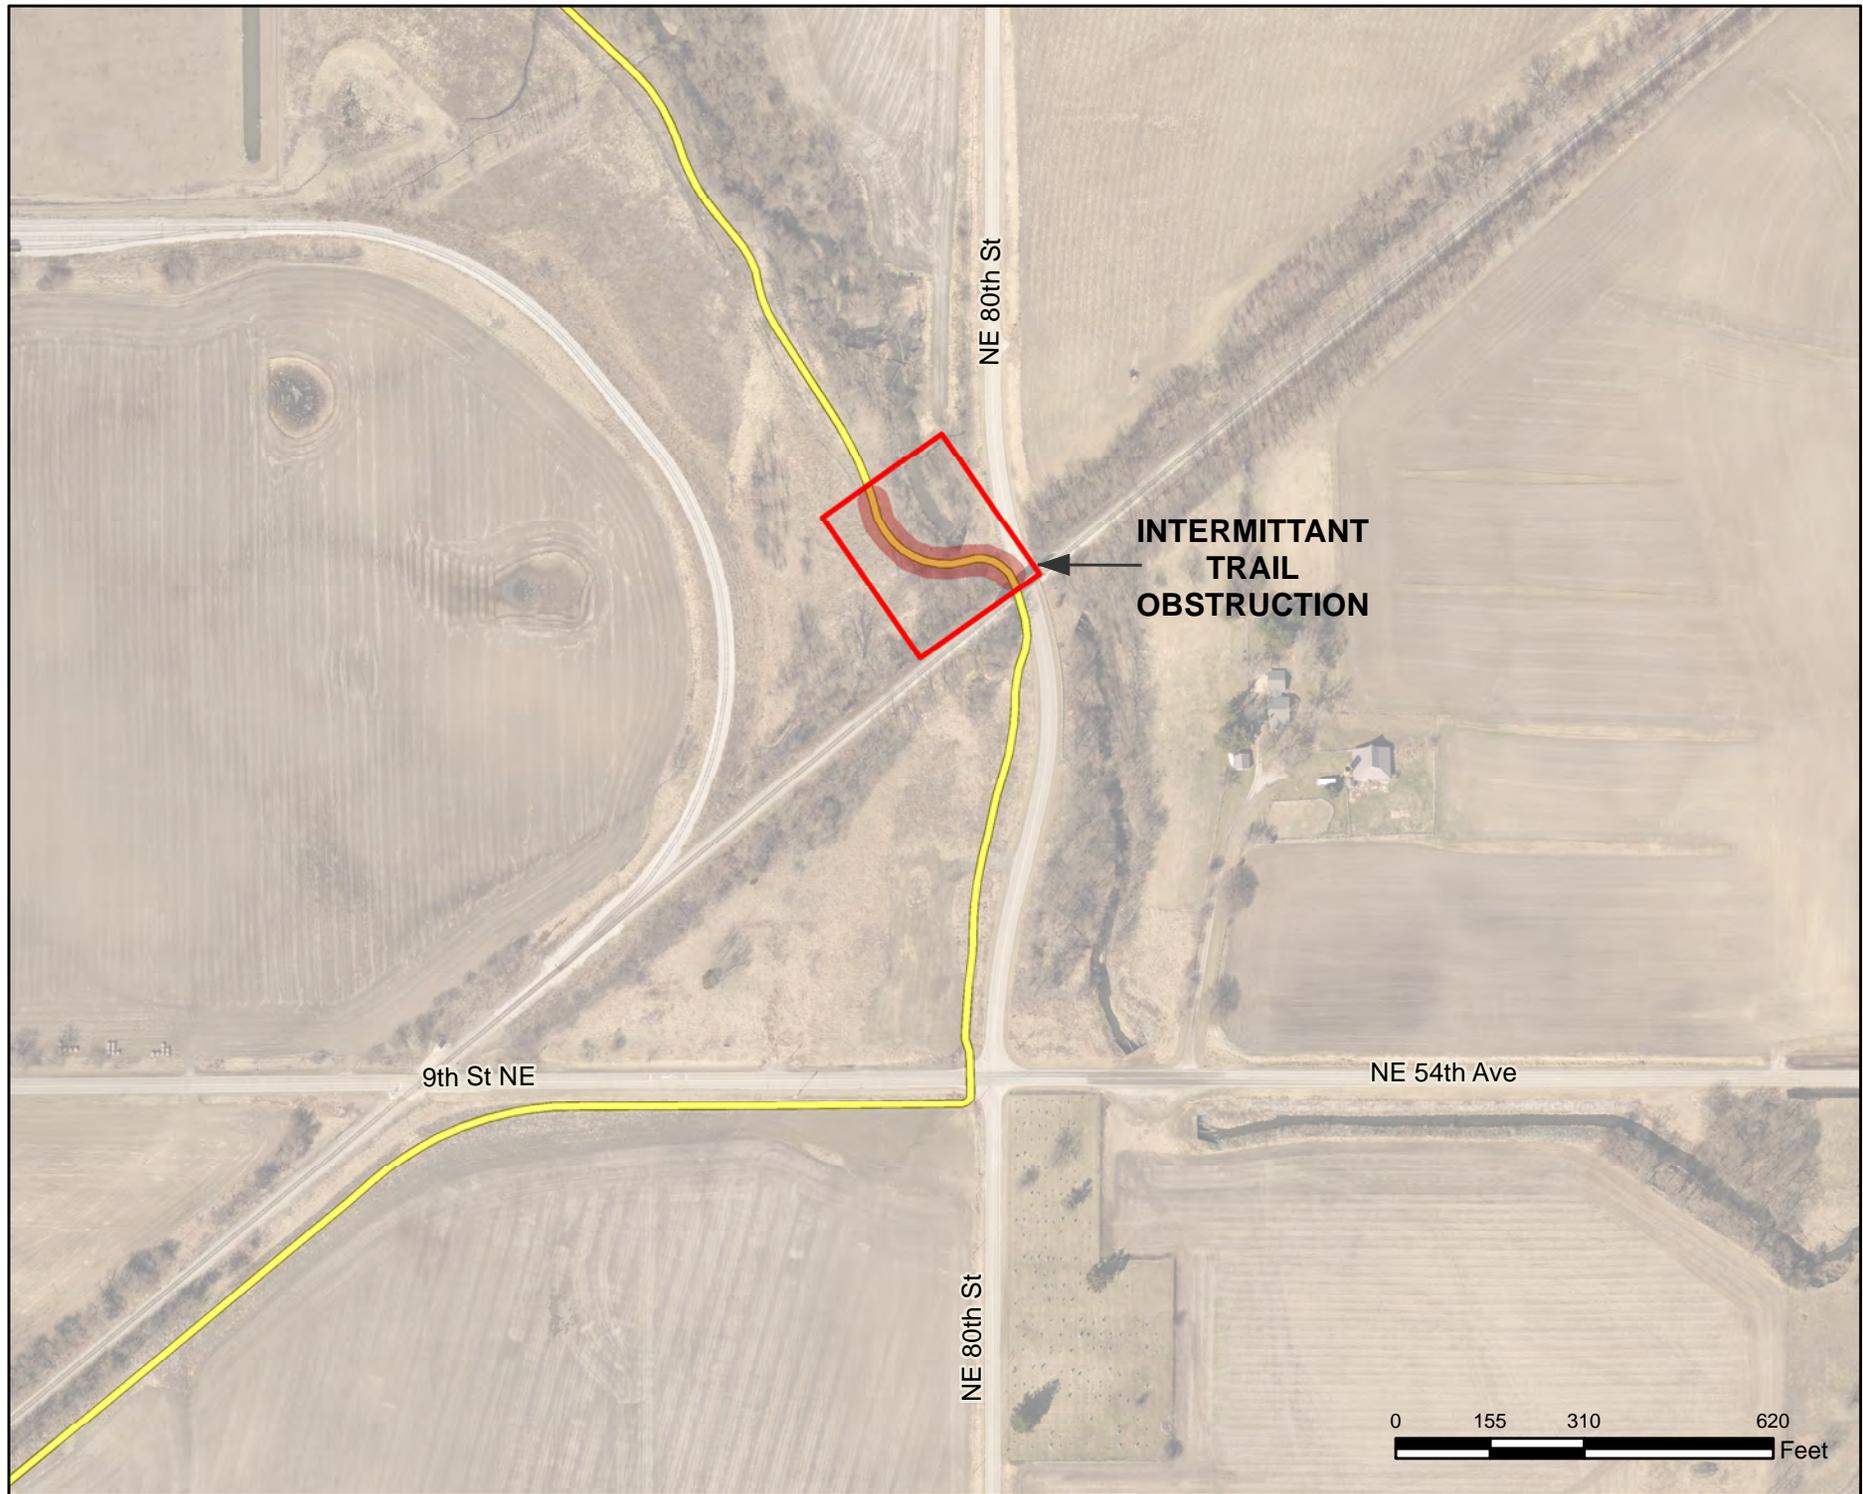

**How does this
affect me?**

The Gay Lea Wilson Trail north of the rail road tracks will have some construction equipment crossing as well as construction materials on the trail. Users can still get through the bike trail but will need to walk bikes and use extra caution in the area.
